

# What is... The Janken Deck?

The Janken Deck is a mash-up of playing cards with Rock-Paper-Scissors logic for a new generation of card games!

The 70 card deck uses 5 new suits...

**Rock**

**Paper**

**Scissors**

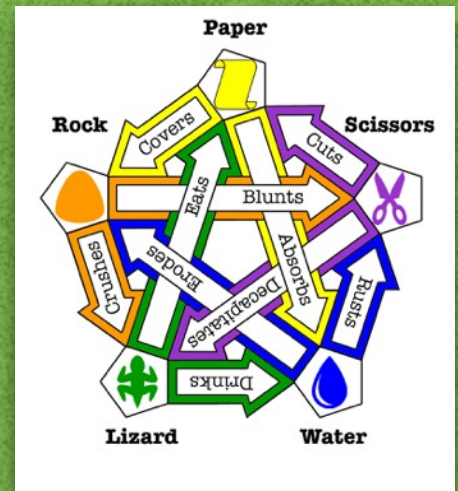

**Water**

**Lizard**

and

...each suit has different Strengths and Weaknesses...

...and **Jokers in every suit** can reverse the Rock-Paper-Scissors rules in the middle of a game!

## How Do You Play? Any Way You Like!

This deck has games for players at all levels: Solitaire games, Family games, Kids games and more! The Janken Deck offers years of replayability!

**What's your favorite card game?**

Try it with five suits for a fun new challenge!

**Have a creative spirit?**

Invent your own games to play with friends!
